~~unapprove~~ minutes

Tuscola Township Planning Commission

The meeting was called to order at 7:05 P.M. by acting chairperson, Gerald Peterson. Commissioners present were Carol Smith, Larry Kern, Gerald Peterson and Sarah Barber. Absent Jon Blasius and John Bishop.

The minutes of the previous meeting were approved. Carol Smith stated she was asked by Mr. Meisel if the board felt there is a need in our area for independent living facility for seniors where they could progress to assisted living when the need arose. We all feel that need is present, but he has been advised he needs to bring any plans in for our decision.

The township minutes were shared by Sarah Barber.

A letter of resignation to the Township Board was read by Sarah Barber. It is with deep regret to this board that Thelma Bushong has resigned.

At our next meeting we plan to start the review of the wind and solar ordinances.

Sarah provided us with a copy of the Blumfield Township ordinance for our review.

The meeting was adjourned at 7:40P.M.

Carol A. Smith, Secy.

Respectfully submitted,
