

Tuscola Township Planning Commission
approved Minutes for January 13, 2016

The meeting was called to order at 7:00P.M. by chairperson, Thelma Bushong. It was noted that commissioner, Craig Kirkpatrick has sent his letter of resignation. All other commissioners were present.

Neil DeShano and Paul Meisel were present with an updated plan showing a change to the proposed pipe size and location for water and sewer connections. They also noted that the 425 has now been replaced by a franchise agreement which is still being worked on between the city and the township. The new site plan addition was accepted and added to the existing plan.

Minutes of the last meeting and Public hearing were read and approved. John Bishop withdrew his motion made on December 9th to approve the master plan, based on the communication obtained from Spicer engineering. Gerald Peterson then withdrew his support.

John Bishop moved to adopt the Resolution of Adoption as provided by Spicer Eng. with the deletion of the word charter on the 2nd line and the deletion of recreation plan in the last 2 paragraphs. Gerald Peterson supported and the vote was unanimous.
