

Tuscola Township Planning Commission
Feb. 10, 2016
approved Minutes

The meeting was called to order at 7P.M. by chairperson, Thelma Bushong. John Bishop was excused . All other commissioners were present.

Paul Meisel and Neil DeShano were present and asked for permission to add a portico to the front of their proposed building. It would be the same height as the building and the dimensions would be 30ftx 22ft. This would allow a safer area for dropping people off or picking them up, out of the weather. Gerald Peterson made a motion to allow the addition to the site plan. Supported by Larry Kern and the vote was unanimous. They are still waiting to hear about the sewer and water situation.

Minutes of the last meeting were read and approved with one correction. Sarah Barber presented the Township meeting notes.

Questions were discussed to be sent to Spicer Engineering regarding working with the zoning for the Township. Clarification will be needed as to the State regulations before proceeding with changes to our ordinance.

Meeting adjourned at 8:10P.M.

Respectfully submitted,

Carol Smith
