Unapproved Minutes of Nov. 1, 2017

The meeting was called to order at 7:05 P.M. by chairperson, Thelma Bushong. John Bishop was absent. All other commissioners were present. The minutes of the Oct. meeting were read and approved. The Township board minutes were reviewed.

The meeting was then turned over to Alan Bean from Spicer engineering to provide us with information regarding solar and alternative energy sources and what we need to know in order to write fair and reliable ordinances. A lot of information was provided which we will now start using to figure out the best way to write our township ordinance.

It was noted that Thelma will be gone until April. Our next meeting will be in January of 2018 and we also have no meeting in Feb.

Respectfully submitted,

Carol A. Smith, secretary
